

Hagi City Garbage Collection Quick Reference Chart

Mutsumi & Fukue

(Accurate as of March 2020)

- Place your garbage out for collection at the designated point by **8:30 am on collection day**.
- Obey the respective collection dates and rules of your neighborhood/district.
- Write the days and dates of collection in the blank spaces for reference!

Burnables

Every week on **Tue** & **Fri**

- Burnable garbage is collected twice per week (please refer to the Garbage Collection Calendar). **It is collected even if the collection day falls on a public holiday.**
- Please dispose of burnable garbage in the municipally designated burnable garbage disposal bag.
- If you are struggling to fit an item in the designated bag, tie a **large designated burnable garbage bag** around it, or apply a **garbage collection sticker**.

Example of contents

Things around which you may need to tie a designated bag or apply a collection sticker

For things made of plastic, vinyl, rubber or leather which won't fit in the designated bag, tie a large designated bag around it or apply a collection sticker, then dispose of as **non-burnable garbage**.

Plastic

Wrapping, Packaging & Containers

Every month on **1st** & **3rd** **Wed**

- Plastic garbage is collected twice per month (please refer to the Garbage Collection Calendar). **It is collected even if the collection day falls on a public holiday.**
- Please dispose of burnable garbage in the municipally designated plastic garbage disposal bag.
- 'Plastic garbage' refers to **plastic items in which goods are contained or wrapped in**. They generally have the plastic mark below. (Some items may not have the mark due to their shape.)
- White polystyrene foam food trays and plastic PET bottles are classified as recyclable garbage.**

Separation examples:

- Do not dispose of these items as burnable garbage.**
- Do not put items within plastic bags inside the designated bag.**
- Tie or ball-up plastic bags.**
- Please place plastic items in the designated bag in such a way that they can be seen clearly.
- Please make sure to completely use up the contents and, if necessary, rinse the item before disposing.
- Please separate the caps from bottles/tubes.
- ⚠ Please be aware that not every item made of plastic is classified as plastic garbage. Toothbrushes, hangers, buckets and toys are considered burnable garbage. If in doubt, **consult the A-Z Garbage Separation and Disposal List**.

Bulky Items

DD	MM	DD	MM
DD	MM	DD	MM

- Bulky items are collected 4 times per year. Please confirm the dates for your neighborhood on the Garbage Collection Calendar.
- Please pay handling fees upon collection. 520 yen for 1 item, and 310 yen for each additional item. E.g. 3 items = 520 + (2x310) = 1,140 yen
- Calls to reserve garbage pickup are only accepted on weekday mornings.** Please make sure to call by noon of the day before collection day to reserve. Place the garbage outside your home by the agreed pickup time.
